

Chanthaburi Fruit Products Co.,Ltd.

ABOUT US

Chanthaburi Fruit Products Co.,Ltd. was found by Mr.Boonthieng Pruksakit.Under “Boonthieng” and “Bee fruits” brand. We are processing the fruits in our farm and the farmers in the province into durian fried and paste fruits

The company introduced the new technology of fruit processing which is Freeze dried fruits. We do not add any coloring, sweetness and other preservative chemicals. So this is 100% natural and healthy snacks.

1995

2005

2016

2021

The company began to use the technology for fruit processing with the Vacuum Fried technology which can make many kind of crispy fruits. There are least vegetable oil in the fruit snacks.

Our products are distributed over Modern Trade channel , Top Supermarket and Big C super store, and souvenir gift shop in Thailand. We also do OEM under another brand.
